## MUMBAI UNIVERSITY (BSc IT)

PM - 2008

Con. 1847(b)-08.

ST-6954

(3 Hours)

[ Total Marks : 100

- Note: (1) Question No. 1 is compulsory.  
 (2) From Question No. 2 to Question No. 7 attempt any four questions.  
 (3) Make suitable assumptions wherever necessary.  
 (4) Answer to the same question must be written together.

## 1. Answer the following:

A Well-established financial based software firm has its project running in USA. Some of the software engineers are maintaining their project in India on offshore basis. Now that company wants to switch over their projects from USA to INDIA. To accomplish this, they build a team and they selected you as the project manager for that. Now answer the following questions based on that assumption.

20

- Conduct feasibility study of the project such as behavioral and cultural feasibility study.
- Objectives and scope of the project.
- Expected problems in the project and its potential solution steps.
- The risk factor, impact of the risk and the proper action plan against those risks.
- The proper organizational structure that you planned for that project.
